HR1 Northern NV Volunteer Resource Directory

Volunteer and community service referral resources for clients affected by Medicaid eligibility and community engagement requirements.

Important: Unless otherwise noted, organizations in the Statewide and regional sections are drawn from the Nevada Division of Social Services (DSS) SNAP ABAWD (able-bodied adults without dependents) Opportunity Lists (Statewide and South lists dated Aug. 27, 2026; North and Rural lists updated July 20). Nevada Medicaid's acceptance of volunteer hours at these organizations toward Medicaid community engagement requirements must be confirmed by Nevada Medicaid.

Contact information was compiled from institution websites and directory listings in September 2026 and may change.

Public transit access is as reported on the source lists. Public transportation may not be available in all areas, particularly rural communities, and routes or schedules may not match volunteer hours.

Participation requirements are as reported on the source lists and may change.
